About Us:

Shivprasad Sadanand Jaiswal College was established in the year 1990 by Shri Durga Shikshan Sanstha, Arjuni Morgaon, Dist. Gondia. The institution is permanently affiliated to Rashtrasant Tukadoji Maharaj Nagpur University Nagpur and got recognized under sections 2(f) and 12(B) of the UGC Act of 1956. Our college is reaccredited with 'B' grade by the National Assessment & Accreditation Council (NAAC) in 2019 in the 3rd cycle.

Shivprasad Sadanand Jaiswal College intends to contribute the finest careers and bright future for the students. With uninterrupted guidance, the students upgrade their knowledge and make them fit for obtaining career opportunities. The college offers B.A., B.Sc., and B.Com. along with various certificate courses, value-added courses, and skill-based courses for the students to pursue education in and out of the classroom. Outstanding teaching methodology, knowledgeable and research-oriented faculty, and a well-structured, lush green campus all contribute to developing competent, innovative students and transformational citizens for the future. Recently, our institution has introduced 7 PG programs on the campus (Chemistry, Physics, Microbiology, Botany, Zoology, Political Science, and Geography). Recently, we have introduced a centre for higher learning and research in Botany, Chemistry, Physics, Microbiology, and Geography.

The institution's motivation is based on the noble concept derived from the Rigveda, "अनो भद्रा ऋतवो यन्तु विष्णुः." It means "Let all knowledge in the world come to us." By adhering to this vision, the institution is pursuing qualitative outcomes and excellence in higher education in Maharashtra's eastern region.

Concept Note:

The National Education Policy (NEP) 2020 emphasises learner-centric, skill-based, multidisciplinary and employment-oriented higher education. In this context, the workshop is organised to facilitate a comprehensive understanding of the new Geography curriculum, its structure, learning outcomes, practical and field-based learning, and the integration of modern geospatial technologies. The workshop will provide an academic platform for teachers to discuss effective curriculum implementation, innovative teaching-learning practices and assessment strategies. Expert guidance and interaction among faculty members will facilitate the exchange of knowledge and experiences. The workshop aims to strengthen the effective implementation of the NEP 2020-based Geography curriculum and promote quality, skill-oriented, and contemporary Geography education.

OBJECTIVES OF THE WORKSHOP

1. To understand the structure, credits, and components of the new Geography curriculum under NEP 2020.
2. To promote learner-centric, skill-based, and experiential teaching-learning approaches.
3. To strengthen practical, field-based, and application-oriented learning in geography.
4. To facilitate exchange of ideas and innovative pedagogical practices among teachers.
5. To acquaint faculty with contemporary assessment and internal evaluation strategies.
6. To make geography education relevant, contemporary, quality-oriented, and aligned with NEP 2020.
